VAPT and GRC

Project Name: Etisalat - PTCL
Year of Services : 2015
Short Description : Security Assessment
Services

Project Name: Dubai Islamic Bank
Year of Services : 2021
Short Description : Internal & External
Vulnerability Assessment & Penetration
Testing Service

Project Name: Askari Bank Ltd.
Year of Services : 2009/2018
Short Description : ISMS
Development/Implementation etc. VA/PT
Infrastructure & Applications/Source Code
Review

Project Name: MCB Bank Ltd.
Year of Services : 2021 - Ongoing
Short Description : Threat
Assessment/Risk Assessment /
Documentation Review / Framework

Solutions
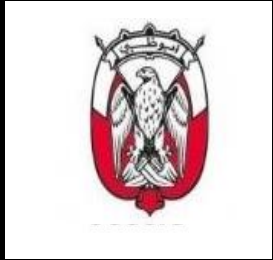

Department of Municipalities and Transport - UAE
Technology Stacks : Guardium Database Security
Brands: IBM
Short Description : Deployment & Integrations of IBM Guardium

Fatima Group
Technology Stacks : SIEM, Endpoint, Two Factor Authentication
Brands: IBM, Kaspersky Lab, CA
Short Description : Supply, Installation & Configuration, Training, Post-Deployment Support

Etisalat - PTCL
Technology Stacks : SIEM for 30,000 EPS, Database Security, Endpoint Security
Brands: IBM, Kaspersky Lab
Short Description : Supply, Installation & Configuration, Training, Post-Deployment Support

Mobilink Bank
Technology Stacks : Vulnerability Management, File Integrity Monitoring, SIEM
Brands: Rapid7, Kaspersky Lab, IBM, New Net Technologies
Short Description : Supply, Installation & Configuration, Training, Post-Deployment Support

MCB Bank Ltd (National & International)
Technology Stacks : XDR, Vulnerability Management, Endpoint Security, Configuration Management, Penetration Testing Tools, Service Desk Manager
Brands: Rapid7, Kaspersky Lab, Titania, CA
Short Description : Supply, Installation & Configuration, Training, Post-Deployment Support

Oil and Gas Development Company Limited (OGDCL)
Technology Stacks : Endpoint Security
Brands: Kaspersky Lab
Short Description : Supply, Installation & Configuration, Training, Post-Deployment Support
